| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | Network: \$250 Individual / \$750 Family Non-Network: \$500 Individual / \$1,500 Family Per calendar year.  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> Amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.  For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered services at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other deductibles for specific services?                   | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | Network: \$10,950 Individual / Not Applicable Family Non-Network: \$10,950 Individual / Not Applicable Family Per calendar year.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?             | <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover and penalties for failure to obtain <u>Pre-notification</u> for services.      | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="http://welcometouhc.com/sfhss">http://welcometouhc.com/sfhss</a> or call 1-866-282-0125 for a list of <a href="network providers">network providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider in the plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider for the difference between the provider's charge and what your <u>plan pays (balance billing)</u>. Be aware, your <u>network provider might use an out-of-network provider for some services (such as lab work). Check with your <u>provider before you get services</u>.</u></u> |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** hasbeen met, if a **deductible** applies.

# **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you leceive, the prices your providers charge, and many other factors. Focuson the cost sharing amounts (deductibles, copayments and coirsurance) and excluded services under theplan. Use thisnformation to compare the portion of cost you might pay under different health plans. Pease note these coverage examples are b ased on self-only coverage.
