MAPD Plan Definition

Medicare Advantage Prescription Drug Plan (MAPD):

MAPD includes Medicare Part D and is available to beneficiaries enrolled in Medicare Part A and Part B. SFHSS offers only MAPD plans in which the Center for Medicare and Medicaid Services (CMS) pays a Managed Care Organization a per member per month premium. SFHSS negotiates additional benefits not covered by MAPD plans alone. Kaiser's Medicare Advantage Plan is called Kaiser Permanente Senior Advantage, or KPSA.

Kaiser Multi-Region Retiree HMO Plans—Note

At the May 14, 2026, Health Service Board (HSB) meeting, the HSB approved the discontinuation of the Kaiser Multi-Region Retiree HMO plans after 2026 for the Washington state, Northwest (primarily Oregon), and Hawaii regions. The discontinuation of these plans will be included in the entire 2027 plan year Rates and Benefits package to be submitted by the San Francisco Health Service System (SFHSS) to the San Francisco Board of Supervisors this month.

The 2027 would-be Kaiser Multi-Region Retiree rate cards are included as an information in the Appendix to this document.
