Find Doctors and Services in Your Network

With CanopyCare HMO you have access to the entire Canopy Health network. If you want a second opinion or need care from a specialist, your doctor can refer you to any doctor in the Canopy Health network

Your primary care physician (PCP) and medical group⁵

Every member has a doctor who is their primary care physician (PCP). Your PCP helps you stay healthy and can help care for you when you're sick.

Alliance Referral Program

This program simplifies referrals and gives members access to all Canopy Health providers, not just those in their doctor's medical group.

A new approach to referrals

You get an active role in your care. You and your doctor make choices that fit how you live. It's that simple!

Three steps to access a specialist

- 1 Talk with your PCP. If you need a specialist, you and your PCP can discuss the best option. Your PCP will put in a referral for you.⁶
- 2 Members and providers will be notified when the referral is approved.
- 3 Schedule an appointment with the specialist.

Need Assistance

CanopyCare customer care agents are available to answer any questions on:

- The Alliance Referral Program
- Transitioning your care to new providers including information on how to transfer your medical records
- Navigating the Canopy Health Network

For more information on the Alliance Referral Program or navigating the Canopy Health network, please contact a CanopyCare customer care agent via secure email or phone number: Monday–Friday, 8:00 a.m.–5 p.m. Pacific Time

Email: CHAllianceReferrals@canopyhealth.com

Phone: 833-448-2042

Care at an urgent care clinic is covered within your network. Emergency care is covered wherever you need it.

⁵"Medical Group" means the physician group that your primary care physician belongs to and is responsible for coordination of your care.

⁶Self-referrals are allowed for OB/GYN reproductive and sexual health care services within your PCP's medical group. If the OB/GYN you would like to see is not in your PCP's physician group but is in the Canopy Health network, a referral is necessary.

Transition of Care

We're here to help make your transition easy

Listed below are steps you can take to help ensure a smooth transition to your new plan.

1. Refill Prescriptions – including medications and medical equipment.
2. Transfer medical records
3. Apply for Continuity of Care (COC)

For details, visit healthnet.com/sfhss >Enrollment>Continuity of Care

Continuity of Care

Medical

When you change health plans during open enrollment, you might get to continue your care with your current doctors or medical group. This is called Continuity of Care. You have 60 days after you enroll to request COC. Here is a list of conditions eligible for COC:

If you or a family member gets medical treatment from an out-of-network provider for one of the medical conditions above, please complete a COC form as soon as possible. You can find the COC form by visiting healthnet.com/sfhss >Enrollment>**Continuity of Care** or by calling member services at 833-448-2042.
